

Sudoku challenges

Working with your partner, can you use logical reasoning to complete each of the sudoku puzzles below?

*Remember to explain to your partner **how** you have worked out the next number to fill in each time. Only if they agree with you will they add the number into the grid.*

Challenge 1

4			3
	3	2	
	4	3	
3			2

Challenge 2

	1	4	
4			2
1			4
	4	2	

Challenge 3

			3
			1
1			
2			

Challenge 4

		3	
1			
			4
	2
