**Presentation available at** - [goo.gl/F6tQQL](https://goo.gl/F6tQQL)

This session aims to address some of the issues surrounding the use of technology with children from Nursery to Year 1. This session is for all teachers, especially those in Early Years setting and Key Stage 1. It will be a very low-tech, practical session with tips to help introduce basic skills to our youngest learners. Come and play with some resources, experiment with different ways of recording, ask questions and have fun.

**Resources to print** - Example log in card, Upper and lower case keyboards to cut and colour
